### Picking up Students during recess, lunch & afterschool

If you are planning on picking your child up from school in between 11-11:30am or 1:30-2:30pm, please let the office or teacher know so we can have your child and their bags waiting in the office. While the kids are outside, it is hard for them to hear all of the announcements. Our teachers also lock the classrooms during recess and lunch so it can make collecting school bags difficult. After school if you are running late please call the office before 3:20pm so we can call your child to the office and have them wait with us. **Please remember school finishes at 3:30pm each day and your child is required to be picked up no later than 3:45pm.**

### **MOTTO**

Growing & Learning Together

### **MISSION**

To provide a caring, safe and supportive learning environment for children to grow.

### **VISION**

At Hillsmeade Primary School, we aim to continually grow and learn together by: supporting individual abilities and excellence in academic achievement, celebrating diverse backgrounds and cultures, and becoming global citizens prepared for the needs and expectations of our ever changing society.

Dear Parents / Guardians,

This week I had the opportunity to see some wonderful writing by some year Prep students. They proudly showed their work to myself and Mr Clode. These students could discuss what they were learning and how they produced their fantastic work. Well done to Lachie, Marika, Harrison and Alivia from Prep E.

I also had some very excited musicians up to show me a song that they had created in music. Well done Darcey and Tenielle from 2A on your great creation using Garageband in Music.

**Bedtime Stories**

Last Wednesday we had our annual Bedtime Stories event. This was a fantastic whole school event. It was wonderful to see so many students and parents in attendance and in their pyjamas. Thank you to staff for reading such fantastic books with such passion and interest. It was exciting to walk around and visit each room and hear such engaging readers sharing great stories with our many guests. Thank you to parents for

continuing to support

Hillsmeade whole school events. These events are part of what makes our school unique.

**Book Fair**

The Book Fair has left the school. We had another successful Book Fair. We sold \$8923.00 worth of books and this results in \$3123.00 in commission for the school to purchase more reading resources for the library and the classrooms. A big THANK YOU to the whole school community for supporting the Book Fair. A HUGE THANK YOU to Judy Kenny who coordinated the whole event and made it possible for our school.

**High Achiever Awards**

Congratulations to the many year 3 – 6 students who were recognised at the school assembly last Friday. It was fantastic to have so many students in year 3 – 6 receiving awards for excellence in Reading, Writing and Mathematics. Recognising and celebrating excellence in student achievement is part of our school vision and we look forward to continuing to celebrate the growth in our students' achievements.

**Vision**

At Hillsmeade Primary School, we aim to continually grow and learn together by:

- supporting individual abilities and excellence in academic achievement,
- celebrating diverse backgrounds and cultures, and
- becoming global citizens prepared for the needs and expectations of our ever changing society.

### Professional Learning

On Friday our Professional Learning Team Leaders met to reflect on our Semester 1 Learning Targets. Well done to Sarah Smith (Acting Assistant Principal Teaching and Learning) for leading this reflection with our leaders. Well done to the Year 5 and 6 teachers for working with the students to make this event possible. Thank you to all of the parents and guests for attending.

# YEAR 5-6 TRAVEL EXPO

As part of the Year 5-6 Sustainability Unit in Geography, 'Think Globally, Act Locally' the students presented a Travel Expo to the Hillsmeade community on Monday afternoon and Tuesday morning.

The Expo gave the students the opportunity to showcase their research, collaborative teamwork and presentation skills which required groups to study a country from either North America or Europe.

Students presented their information using multi-modal platforms such as posters, brochures, PowerPoint presentations and models. Some groups even produced food related to their countries.

The information presented focused on the weather and climate, the natural attractions, the cultural celebrations and any possible natural disasters found in one main city of their chosen country.

The Year 5-6 teachers were delighted with the students' achievements, the way groups presented their information and confidently answered questions from our visitors.

It was wonderful to see families come in and see what their children had achieved, as well as having past students come and visit the Expo.

Well done to all involved.

## Student Representative Council

The Student Representative Council is made up from a classroom representative from each class Year 3-6. The SRC leaders this year are Shayli and Farisa from Year 6. The SRC have met a number of times throughout term one and two to discuss issues, ideas or concerns the students may have. The representatives come to each meeting with feedback from their class. This feedback is then discussed as an SRC to see how we can make changes, pass on information or address any issues that were raised. The SRC are looking forward to representing their class at the meetings throughout the remainder of the year.

Danielle McKelvie  
SRC co-ordinator

Shayli and Farisa have written a reflection on the SRC so far.

We have had a great time being SRC captains so far. We are learning how to be a leader and running the meetings. I think that everyone in the SRC is contributing and giving ideas. We hope that as many ideas as possible can come to life and that the SRC can make a difference to our school. We have already suggested changes and ideas to the school including, fixing things in the playground, recycling of paper and we have talked about how to encourage less rubbish in the playground. We also sold \$174 worth of ANZAC day badges and we felt very proud to be helping the RSL.
