Picking up Students during recess, lunch & afterschool

If you are planning on picking your child up from school in between 11-11:30am or 1:30-2:30pm, please let the office or teacher know so we can have your child and their bags waiting in the office. While the kids are outside, it is hard for them to hear all of the announcements. Our teachers also lock the classrooms during recess and lunch so it can make collecting school bags difficult. After school if you are running late please call the office before 3:20pm so we can call your child to the office and have them wait with us. **Please remember school finishes at 3:30pm each day and your child is required to be picked up no later than 3:45pm.**

MOTTO

Growing & Learning Together

MISSION

To provide a caring, safe and supportive learning environment for children to grow.

VISION

At Hillsmeade Primary School, we aim to continually grow and learn together by: supporting individual abilities and excellence in academic achievement, celebrating diverse backgrounds and cultures, and becoming global citizens prepared for the needs and expectations of our ever changing society.

Dear Parents / Guardians,

The first week of Term 3 went by very quickly. It was an action packed week, with a Year 2 Science Incursion, new electives and a lot of rain. This term we welcome Rachel Oates as the new teacher in Year 5E.

Professional Learning

Last Wednesday evening and Thursday, Jodie Bray and Jess Szalek attended an amazing professional learning opportunity about disrupting mathematics in schools as presented by Conrad Wolfram, a renowned mathematician and technologist. These sessions shared information and research on advancing maths education for the future, how computers have changed the face of mathematics and defining the mathematical knowledge needed in a technological world. Conrad gave us a tutorial of computer based math modules, using his four-step process to Define, Translate, Compute and Interpret; and how to implement coding through mathematics to promote logical thinking in everyday living. The Department of Education has invested in these resources to support teachers and students and we are very excited to explore them further at Hillsmeade.

100 Days of Prep

This Friday 28th July, our Prep students will be celebrating their **100th Day of School!** What a fantastic achievement! On this special occasion, students will be participating in a range of fun learning experiences connected to the number 100. Students have also been given a zip lock bag to take home and collect 100 items that will fit inside. It will be interesting to see what '100' can look like in different ways and we look forward to students sharing their creativity. Our Preps have been counting the days all year on a special chart and are very excited to reach 100!

Electives at Hillsmeade

JUNIOR ELECTIVES

On Friday afternoon last week, all students were able to participate in an elective chosen by the students themselves. This was the first time we had the Preps join in on electives and everyone did a great job arriving at the right room and meeting new students and teachers from across the school. The junior electives on offer include digital-learning, circus skills, gym for kids, book making, mindful colouring and traditional Aboriginal games. Keep an eye out in future Links for photos of what the individual electives are getting up to.

If you have any special skills as a parent and would like to help with electives, please come and speak to Carmen Collins. We would be very grateful for your assistance.

Carmen Collins

SENIOR ELECTIVES

Last Friday afternoon kicked off our second semester of electives for students in years 3-6. This program provides an excellent opportunity for students to build relationships across year levels and participate in fun, curriculum based activities that promote our I-RESPECT values. Some of the senior electives on offer include a variety of sports, gardening, robotics, healthy cooking and mindful walking. Some students also have the opportunity to visit the residents of Casey Manor and assist in our Early Learning Centre, building relationships across the local community.

International Visitors

On Tuesday the 25th of July Hillsmeade Primary School hosted International students and teachers from Diocesan Boys' School Division from Honk Kong. These students were visiting as part of a two week exchange and spent the day being part of our school.

The 20 visiting students were warmly welcomed by our school captains Annabel and Tom, as well as Mandarin captain Maddi. The students were led on a tour of our school and commented on the differences between our school and their six-storey school. We had many similarities between our schools, both with similar enrolment numbers, curriculum focus and student values.

The visiting teachers were amazed at how positive, friendly and courteaous the Hillsmeade students were in welcoming the visitors in to our classes and including them in activities at recess and lunch.

A big thank you to Maria Liu and Sally Wu for coordinating this opportunity across the school.

The New Music Room

This term we welcome the new, improved music room. Thank you to the HFC for being so supportive of the move and to Lisa Scott for accommodating the move. The music room looks fantastic with great available space for instruments to be accessible.

Student Leaders

This week we were excited to see the student leaders names added to the school honour board. The student leaders are a great support to the students and staff of Hillsmeade. We are excited to see their continued commitment in Semester 2.

Learners at Work

This week I saw some Grade 2 students out and about collaboratively solving some scavenger hunt maths problems. It was wonderful to see students engaging in rich discussions about ways to tackle problems. Students worked together to search the school for possible answers.

Vacation Care

Students attending the holiday program got their hip hop on.

Positive Postcards

Hillsmeade Primary School is proud to be celebrating student achievement. This year we have been utilising Positive Postcards to send home to celebrate and share shining moments in students learning at school. The response from students has been fantastic. Keep your eye out for a Positive Postcard and take time to discuss and celebrate with your child.

Reminders

A reminder that this Friday there will be the whole school assembly starting at 2:45pm in the gym. There will be a special performance by the Year 3 students. If you are available to attend we would love to see you there.

Jodie Bray
Principal

This year Hillmeade Primary School is again registering to be part of the Earn and Learn Program. Previously this program has supported us in obtaining more resources to support curriculum areas in Literacy, Numeracy and Physical Education.

If you shop at Woolworths it would be great if you could collect the stickers and either send them in to school or drop them in the Hillmeade Primary School collection box located at Woolworths.

Happy collecting!

The more you earn, the more they learn

Earn & Learn works like this – if your school community sticks together and earns Woolworths Earn & Learn stickers, you can redeem these stickers for your choice of educational resources.

Choose from thousands of educational resources
Every year Earn & Learn gets bigger – last time, over 16,000 schools and early learning centres earned nearly 450,000 individual items.

This year, we're proud to say we're partnering once again with Modern Teaching Aids – Australia's biggest supplier of resources for schools. This means you can choose your resources based on your unique needs, across every category possible including Science, Sports, Mathematics, English, and Arts and Crafts.

Anyone can help your school or early learning centre
It's easy for your kids, parents, grandparents, staff, neighbours, friends, and absolutely anyone, to help your school or early learning centre.

Parent Opinion Survey 2017

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents at each school.

It is designed to assist our school in gaining an understanding of parents' perception of school climate, student engagement and relationships with our parent community. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

The survey will be conducted **online by ORIMA Research Pty Ltd** and only takes **15 minutes** to complete. The survey can be accessed via desktop computer, laptop, tablet or mobile at any convenient time within the fieldwork period from **Monday 7th August to Sunday 27th August**.

Approximately 30% of families will be invited to participate in this year's survey. All responses to the survey are anonymous. The random families selected will receive their parent opinion survey letter via Australia Post next week.

Survey language guides will be provided in a range of languages including Albanian, Bengali, Burmese, Cantonese, Dari, Filipino, Greek, Gujarati, Indonesian, Japanese, Karen, Khmer, Korean, Macedonian, Malayalam, Pashto, Persian, Punjabi, Russian, Serbian, Sinhalese, Somali, Spanish, Tagalog, Tamil, Telugu, Turkish or Urdu.

The survey results will be reported back to our school at the end of September.

For further information, please contact the office or visit: <http://www.education.vic.gov.au/school/teachers/management/improvement/Pages/performsurveyparent.aspx>

Yours sincerely,

Scott Clode
Assistant Principal

HILLSMEADE VALUES

Integrity

Integrity means doing the right thing at all times and in all circumstances. It takes the courage to do the right thing, no matter what the consequences will be. Building a reputation of integrity takes time, but it takes only a second to lose. So never allow yourself to ever do anything that would damage your integrity.

We can act with integrity by:

- *Looking for the good in others
- *Treating those around you with kindness
- *Showing respect
- *Admitting when you make a mistake
- *Always doing the right thing
- *Never making promises you can't keep

- When children make mistakes it provides a good learning opportunity. Talk with your child about the mistake and help them to make amends or fix the problem.
- Sometimes it is important to explain why we have to act in a certain way, not just expect a child to understand why.
- Peer pressure can make maintaining integrity very difficult. Help your child by getting to know their friends and encourage friendships with those who are a good influence.

Get your child to think about how they would respond to the following statements.

- 'When I know something is wrong I will...'
- 'When I say I will do something I will...'
- 'When someone asks me something I will...'
- 'When I know something will hurt another person I...'

Welcome to

Book Club

After a very successful Book Fair, Book Club is back!

Issue 5 brochure was given out last week. I hope you have had a chance to look through the brochure, which is packed with some very popular and exciting books. Some of the books are as low as \$2.00!

I was excited to see the new Nick Bland book, *The Very Sleepy Bear; Do Not Open This Book* by Andy Lee, which was very popular at the recent Bedtime Stories; and Aaron Blabey's *Pig the Winner* and *Don't Call Me Bear*, which are shortlisted for the CBCA Book of the Year awards.

When children read lots of books from different authors and genres, they get lots of ideas and different styles that will improve their own writing. I read in a local newspaper how a young student was so excited by the book she was reading, that she wanted to write a book and become an author!

If you would like to purchase some books from this issue, there are 2 options.

1. LOOP This is the preferred option. (Linked Online Ordering & Payment system. www.scholastic.com.au/LOOP You can now order and pay for your Book Club online. You must know your child's grade and teacher name to be able to use this option. You do not send anything to school. The order will be delivered to school. There is also a gift option on LOOP now.

2. Cheque made payable to Scholastic Australia or cash (which must be the correct amount).

IT IS VERY IMPORTANT THAT THE STUDENT'S FULL NAME AND GRADE IS WRITTEN ON THE TOP OF EVERY ORDER FORM. ORDERS WILL NOT BE PROCESSED IF THERE IS NO NAME ON THE ORDER FORM.

Fill out the order form, with the child's name and grade on the top and put it in an envelope along with the **CORRECT MONEY** (cash or cheque) and mark the envelope BOOK CLUB with the child's name and grade as well. Please **do not** include any monies for other fundraising or school events in this envelope.

BOOK CLUB ORDERS ARE DUE BACK ON TUESDAY, AUGUST 1ST. NO LATE ORDERS WILL BE TAKEN.

For your information, it takes approximately 2 weeks, after the order has been sent to Scholastic, (in Sydney), for the books to be delivered.
