Picking up students during recess, lunch & afterschool

If you are planning on picking your child up from school in between 11-11:30am or 1:30-2:30pm, please let the office or teacher know so we can have your child and their bags waiting in the office. While the kids are outside, it is hard for them to hear all of the announcements. Our teachers also lock the classrooms during recess and lunch so it can make collecting school bags difficult. After school if you are running late please call the office before 3:20pm so we can call your child to the office and have them wait with us. **Please remember school finishes at 3:30pm each day and your child is required to be picked up no later than 3:45pm.**

Alkira Visit

We continue to work closely with Alkira in preparing our Year 6 students for secondary school life. Last week another of our year 6 classes visited Alkira for a Science lesson. It is exciting to hear that we will be strengthening our partnership with Alkira in 2018 through stronger connections to STEAM and also VCAL links in applied learning.

Congratulations on Hillsmeade Students Sporting Success

Well done to Tyler Foote of 6A in making the State Finals in the 2017 Victorian Primary School Golf Event. He played some great golf at Warragul Golf Club representing Hillsmeade Primary School, on Monday 13th November 2017. Back in March he competed at Pakenham Golf Club in the district event making the regional final played last Monday.

In 2 weeks' time Tyler competes at Koorngal Golf Club at the State Final, which has the last few groups of players trying to make the National Final. This event started with over 1200 players. What a wonderful achievement, well done Tyler.

Best of luck to Canny Tereva of 4B who will be representing the Cook Islands at the Tag20 Oceania Heritage Cup on November 24th – 26th. We wish Canny the best of luck for the event.

Students feeling unwell

The question of when to keep your child home from school can be a tricky one, especially if deciding first thing in the morning.

A slight tummy ache, headache or pain is sometimes forgotten (or goes away) when they see their friends at school and become busy with the excitement of learning and play.

If it continues, we in the sick bay or office will call you and ask that you come to collect your child so that they can rest and recover at home.

If your child wakes up and is vomiting, has diarrhoea, has an extremely runny nose, a fever or discharge from their eyes or an unexplained rash we ask that you keep them home as this is highly likely to spread to their classmates.

If your doctor/pharmacist or health care practitioner advises you to keep your child at home to recuperate, please do so until they advise you it is acceptable for your child to return to school.

We ask this of you as parents, firstly for the comfort of your child and secondly, as a measure to try and prevent the spread of illness amongst your child's classmates.

Leadership at Hillsmeade

Congratulations to John Cardamone who has been appointed the 2018 Acting Leading Teacher – Social and Emotional Learning Leader at Hillsmeade. This is a new role at our school and will assist us in continuing to work towards Education's State targets:

Target: Happy, healthy and resilient kids

Education State school targets have been developed to focus our efforts on the range of factors that allow students to develop and achieve their best.

Happy, healthy and resilient kids

School will be a positive experience and nurturing environment for our children to develop confidence, social skills and healthy life habits.

By 2025:

- The proportion of students who report high resilience will grow by 20%.
- The proportion of students doing physical activity for an hour a day, five times a week, will grow by 20%.

Best of Luck

We would like to take this opportunity to wish one of our year 6 students, Charli Ansell luck next week at the City of Casey Youth Services final in the Fresh

Words Young Writers Competition for 2017.

This is a fantastic achievement, and we are so proud to celebrate with her and wish her luck at the awards ceremony next week being held at Bunjil Place.

Well done Charli!

First among equals

20 November 2017 1:55 PM.

Hillsmeade principal Jodie Bray, Kiarah's father Soeun Sun, Kiarah and Judith Couacaud Graley.

Student leader Kiarah, of Hillsmeade Primary School, has made her mark by thinking of others. Kiarah was earmarked as a potential community leader by winning a Community Spirit and Leadership award.

It's an award recognising Year 4 students at schools in the Narre Warren South electorate. The award was created and presented by Narre Warren South MP Judith Couacaud Graley, who noted Kiarah "stepped up as not only a leader, but also as a friend for so many of her peers".

"It is clear that she has made a very big difference in their lives as she was engulfed in a big group hug with her class after receiving her award.

"I can't wait to see how Kiarah's journey unfolds.

"I have no doubt that she will continue to excel and lead by example."

Kiarah is a member of the school's Student Representative Council and a dedicated hip-hop dancer. In their submissions, teachers noted Kiarah was humble, open to feedback, and quick to help others stuck in their learning and feeling upset.

"Kiarah is considerate of the effect of actions on those around her and on how our collective choices might affect the wider community," a teacher wrote

Woodwork in Prep

In Prep we have been learning about creativity in our unit

Topsy Turvy Tales.

This unit is about finding ways we can be creative when we want to design and build things using our imaginations. During our recent woodwork incursion, we created wooden rocket ships by using a saw, wood glue and sand paper.

Hillsmeade Values are demonstrated through our whole school **Electives** program

We are **ENTHUSIASTIC** when we are doing our elective.

We are **PERSISTENT** and try new things.

We are **COURAGEOUS** because we try new things.

We show **TEAMWORK** by working together.

We are **RESPONSIBLE** in the classrooms we visit.

We are **SUCCESSFUL** when we learn something new.

We are always **ENCOURAGING** others to do their best.

We show **INTEGRITY** by being honest and respectful.
