BOOKINGS OPEN SOON

PARENT TEACHER INTERVIEWS

Parent-Teacher Interviews will be held from **Monday, 23rd of March until Wednesday, 25th of March.**

Bookings for meetings with teachers can be made via Compass and will be open for access on Monday, 16th of March.

Our specialist teachers are also available to meet and are looking forward to celebrating the learning taking place in Music, Performing Arts, Mandarin, Media Arts, Digital Technology, Physical Education and PMP.

***Please note: All meetings will be held in the main building.** Please see the Parent–Teacher Interview Map for the location of each grade’s interviews.

This information will also be available at the front office each evening.

***Remember to book your meetings with teachers via Compass from Monday, 16th of March.**

MOBILE PHONE POLICY@ HILLSMEADE

Purpose

To explain to our school community the Department's and Hillsmeade Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

Scope

This policy applies to:

- All students at Hillsmeade Primary School and,
- Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

Definitions

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches."

Policy

Hillsmeade Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Hillsmeade Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information) When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Hillsmeade Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Hillsmeade Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Hillsmeade Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Hillsmeade Primary School's Personal Property Policy.

Where students bring a mobile phone to school, Hillsmeade Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Hillsmeade Primary School students are required to store their phones with the PLT Leader of their grade or in the Administration office.

Enforcement

Students who use their personal mobile phones inappropriately at Hillsmeade Primary School may be issued with consequences consistent with our school's existing student engagement policies (refer to the Student Wellbeing & Engagement Policy). At Hillsmeade Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms
- during exams and assessments

Exceptions

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically,
 - Health and wellbeing-related exceptions; and
 - Exceptions related to managing risk when students are offsite
- can be granted by the principal, or by the teacher for that class, in accordance with the Department's [Mobile Phones Policy](#).

The three categories of exceptions allowed under the Department's [Mobile Phones Policy](#) are:

1. Learning-related exceptions

| Specific exception | Documentation |
|--|---|
| For students for whom a reasonable adjustment to a learning program is needed because of a disability or learning difficulty | Individual Learning Plan, Individual Education Plan |

2. Health and wellbeing-related exceptions

| Specific exception | Documentation |
|----------------------------------|-----------------------------|
| Students with a health condition | Student Health Support Plan |

3. Exceptions related to managing risk when students are offsite

| Specific exception | Documentation |
|-----------------------------------|--|
| Travelling to and from excursions | Risk assessment planning documentation |
| Students on excursions and camps | Risk assessment planning documentation |

Where an exception is granted, the student can only use the mobile phone for the purpose for which it was granted.

Camps, excursions and extracurricular activities

Hillsmeade Primary School will provide students and their parents and carers with information about items that can or cannot be brought to camps, excursions, special activities and events, including personal mobile phones.

Exclusions

This policy does not apply to:

- Out-of-school-hours events
- Travelling to and from school

Review period

This policy was last updated on February 2020 and is scheduled for review in March 2023.

FROM THE PRINCIPAL

Dear Hillsmeade Community,

Happy Week 7 everyone. I hope that everyone had a wonderful long weekend and had an opportunity to enjoy the beautiful weather we had on offer. I had a lovely long weekend with my family filled with many basketball games and some reading out in the sun. I heard some great stories about different events taking place over the long weekend for families including camping, attending the cricket world cup final and even some community events.

School Council

On Tuesday the 10th of March we held our first school council meeting for 2020. Thank you to school council members elected in the following positions:

President - Brooke Gniel

Vice President - Megan Shields

Treasurer - Kellie Suhr

Secretary - Crystal Wells

Curriculum Days for 2020

School council has approved the following curriculum days for this year.

**TERM 2 –
Thursday May 28th**

**TERM 3 –
Friday September 4th**

**TERM 4 –
Monday November
30th**

Easter Raffle

Our annual Easter Raffle is back! Tickets are available to purchase from the office. A huge thank you to the families who have already begun selling the tickets. We look forward to announcing raffle prize winners in the last week of term.

School Photos

School photos will be held on Thursday 19th March for the whole school. Please see page 12 for information regarding how to place your order.

Parent Teacher Interviews

A reminder that we will be having parent teacher interviews during the last week of this term. This is a wonderful opportunity to meet with your child's teachers and discuss their learning and their progress. We encourage all families to attend these interviews. More information about booking times will be available shortly.

Narre Warren Division Swimming Event

Wishing our swimmers the best of luck today March as they set off to compete at the Divisional Swimming event. We look forward to hearing about the results next week. Well done to Hillsmeade Primary School swimmers for winning the District Swimming Championships.

Cross Country

A huge well done to our students who competed in the Year 4 – 6 Cross Country event on Friday the 6th of March. It was a wonderful event and it was so amazing to see our students supporting each other and giving their best. Well done to all students who participated and good luck to those students who made it through to compete at the next round.

AUSTRALIA VS INDIA T20 WOMEN'S FINAL

I won tickets to the T20 Womens Cricket Final in a writing competition. When we first arrived at the MCG I saw so many Indian supporters singing, playing drums, cheering and carrying flags. Australians were so loud and they wore yellow and green, just like us.

We sat so high up and I was really scared I was going to drop.

Australia won the toss and chose to bat first. Australia go so many sixes and fours and not many twos. Every time they got six or four we raised the numbers and cheered.

When India batted Australia did phenomenal fast and spin bowling. The fielders tried to catch them and save the ball from getting a 4 or a 6. India tried hard to beat Australia but ten people got out.

Australia won the World Cup. The players high fived and hugged. I was glad they won because they are my team. I stood up, clapped and cheered.

The best part of the day were the supporters. They were not aggressive to each other and the players. They were kind and helpful, so each team could concentrate playing the game. - **By Jaden M, 2B.**

ICC T20 World Cup Final MCG Australia Vs. India Sunday March 8th - International Women's Day

I attended the women's cricket final with my family.

Before the game we joined in with the activities in the fan zone. I was filmed and it was played on the jumbotron (screen) during the game. Then we watched the stage crew put the stage together. The pre-game entertainment was Katy Perry – she sang Roar and Fireworks. We stood for the national anthems of both countries and welcome to country.

Then the game began – The Aussies were hitting 4s and 6s all over the ground- the score was 184. India batted next and the Aussies bowled them out for 99 runs. The Aussies were the champions!!!! We all had a really good time. Thank you to Mrs. Bray for organising the writing competition and the prize of tickets for the game.

- **Sam L 5A**

BIOLOGICAL SCIENCES IN YEAR 2

Watch my bean grow!

Does a seed turn into a plant? Watch it happen yourself!

Year 2 students are busy examining and observing the growth of their seeds. They are exploring the different characteristics of the life stages in plants and animals. Students cannot wait to see up close how a seed grows and what is actually happening under the ground!

Creating a mini green house is a fantastic way to explore plants through experiential learning and hands-on investigations in the classroom! - Ms Dimple Bhardwaj

PROFESSIONAL LEARNING @ CASEY TECH

On Tuesday, 3rd March, Year 4-6 teachers went to Casey Tech to learn about '**Designing for STEM**'. Design and Technologies curriculum aims to develop the knowledge and skills to ensure that students use design and system thinking to generate innovative design ideas.

We made rockets and discussed how we could encourage students to use science inquiry skills to respond creatively to various design challenges. We are excited to integrate the scientific method, fair testing and engineering design process and scaffold students to ideate, plan, produce and evaluate designed solutions.

FANTASTIC FOAMY FOUNTAIN

Scientist Isaac from 2C did a bubbly science experiment on the long weekend.

He created a giant foaming reaction that looks like toothpaste coming out of a tube called "Elephant's Toothpaste" using dish washing liquid, hydrogen peroxide and food colour. Feel free to ask him any questions about his experiment if you see him around at Hillsmeade.

Caution Tip from Isaac: Today I made Elephant Toothpaste and you should not touch it while it's exploding as it will burn

WELLBEING WEEK

This week the **Hillsmeade Staff Matter Team** are very excited to present our first Staff Wellbeing Week for all teachers and staff to participate in. We have planned a range of optional activities to promote work-life balance, self-care, mindfulness and workload management.

The Staff Matter Team's mission is to positively promote and upskill staff in mental health and wellbeing.

While our vision is to create a harmonious workplace where staff feel connected, supported and empowered by one another in order to facilitate a positive work-life balance.

This week's activities include:

Monday – Encouraging staff to make time for some self-care on their extra day off.

Tuesday – Providing healthy tasty fruit and veg in the staff room for some physical self-care.

Wednesday – The choice of 'Working-it' by either working through that to-do list or doing a boot camp work out. This promotes *workload management*.

Thursday – Morning Podcast about our passions outside of the classroom promoting *work-life balance*.

Friday – Games and riddles will be provided in the staff room for some fun! *Mindfulness* is about enjoying the moment you are in; this doesn't always have to be done quietly.

We wish all the staff a great week.

"In today's rush we all think too much, seek too much, want too much, and forget about the joy of just being."
- Eckhart Tolle

EGGSTRAVAGANZA

FRIDAY
MARCH
20TH

Free Dress Day

FROM MR CARDAMONE

Good afternoon Hillsmeade Community,

Happy week 7, only three weeks to go until the end of term. Now is a great time to start planning for fun family activities with your family. Next week I will provide some ideas and places to visit.

Don't forget to sign up for our parent workshop later this term! We are very lucky to have back Beth Johnson presenting What is Autism Spectrum Disorder (ASD) and Attention Deficit Hyperactivity Disorder (ADHD)?

There will be discussion time, opportunities to share successful strategies you use at home and share questions or challenges you may be experiencing.

This was a full house last year!!! **Please register for the seminar** with your name (and anyone else you are coming with) on Compass or at the front office by March 16th **9704 6313** or hillsmeade.ps@edumail.vic.gov.au.

Please see the attached brochure for more information.

I hope the last two weeks have provided important information on social and emotional learning for you. This week we have an article from the website 'for parents'. This has a focus on chore ideas for kids ages 2 to 8. You can find out more information at <https://www.pbs.org/parents/thrive/chore-ideas-for-kids-ages-2-to-8>. The author is Deborah Farmer Kris, she is a writer, teacher and a parent educator, she has interviewed a few parents for the below article.

Chores Teach Practical Life and Academic Skills

Everyone benefits when kids engage in household

chores: Children learn practical life skills and adults have practical help in running the home.

But chores can also support school readiness.

For example, sorting and classifying items is a math and science skill, and kids can practice this by

sorting laundry by color (for washing) and by type (for folding); by grouping forks and spoons for putting away; or by separating toys that have been mixed together.

Chores also build fine motor, gross motor, spatial and coordination skills. Think of the physical dexterity and mental attention it takes to use a spray bottle, organize a toy shelf, wipe a counter, set a table, peel oranges for lunch, spread butter on bread, sweep a room or fold clothes.

Chores Foster a Sense of Responsibility and Community

Kids thrive when they feel useful and when they know that they have something important to contribute. KJ Dell'Antonia, the author of How to Be a Happier Parent, told me, "Everyone is happier when they are part of a larger community. For kids, the family is that community. When they are part of the day-to-day running of a household, it tells them, 'I'm part of the team, and without me, things don't work as well.'"

Bethany, a mom of three kids under nine, tells her children, "We all live in the house so we all have to love it together." Another parent, Magda, shared, "I emphasize the child's place in the household community: 'We' want to keep 'our' house clean, we're in this together, and we all help each other as needed."

Children can find real satisfaction in contributing to family life and in being seen as responsible.

A friend shared that when her niece was a preschooler, she wanted a toy vacuum. Instead, her parents found a real, small vacuum instead for about the same price. "She loved vacuuming right alongside her parents. I think she could really feel the difference between actually helping and just playing at helping."

"The word "chore" might sound like drudgery. But teaching kids how to do household chores is a meaningful part of growing up for at least two reasons."

John Cardamone
Leading Teacher in Social and Emotional Learning

Social and emotional learning... 'It's everyone's business!'

PROJECT MAGNET

PARENT WORKSHOP

‘What is Autism and ADHD?’

Hillsmeade Primary School is excited to announce our next parent workshop, What is Autism Spectrum Disorder (ASD) and Attention Deficit Hyperactivity Disorder (ADHD)? presented by Dr. Beth Johnson and Ms. Rachael Knott

What: This workshop will explore what Autism and ADHD are, how they are diagnosed, support and treatments available, and current research.

When: 19th of March 6:30pm – 7:30pm (seated by 6:20pm)

Where: Hillsmeade Primary School staffroom

About the MAGNET Project: The MAGNET Project is a federally funded research program aiming to reduce time to diagnosis for autism and ADHD. They need 1000 families from across Victoria who have a typically developing child, or a child with ASD and/or ADHD to take part in this important research. The MAGNET project team will be working with Hillsmeade Primary School throughout 2020. All families will receive a clinical report once they have participated.

You can find out more about the MAGNET Project at <https://www.monash.edu/turner-institute/research/project-magnet> for more information or register at <https://tinyurl.com/monashmagnet/>

Why: Hillsmeade Primary School is partnering with the Turner Institute of Brain and Mental Health, Monash University and Monash Children’s Hospital to support the Monash Autism/ADHD Genetics and Neurodevelopment (MAGNET) Project. In exchange, the MAGNET team are giving back to Hillsmeade and the City of Casey community through workshops for families with information about the latest scientific research.

Through these workshops, we hope to not only strengthen our partnership with families but also the connections between the families and Hillsmeade. There will be discussion time, opportunities to share successful strategies you use at home and share questions or challenges you may be experiencing.

Please register for the seminar with your name (and anyone else you are coming with) on Compass or at the front office by March 16th 9704 6313 or hillsmeade.ps@edumail.vic.gov.au.

HILLSMEADE AUTHOR'S CHAIR

We are enthusiastic about good writing at Hillsmeade. To celebrate the success of our student writers, we have begun a school-wide author's chair celebration. Each week two students are nominated by their PLT leader to share a published piece of writing with the school community on Hillsmeade Happenings.

Sharing writing on such a scale challenges our students to be persistent and courageous. They model to their peers that writing well takes a lot of hard work and trial and error. We believe this opportunity supports our student writers in becoming confident and flourishing authors. Congratulations to our first Author's Chair winners!

William N – Year 3A
Gabriella B – Year 3D
Oliver S – Year 4A
Brenna M – Year 4A
