# FROM THE PRINCIPAL

Dear Parents / Guardians

Happy Week 5 everyone. We have had another wonderful week at Hillsmeade, with our first ever episode of 'Hillsmeade Happenings' being shared across the whole school on Monday morning.

## Hillsmeade Happenings

What is Hillsmeade Happenings you ask? Well, this is our first ever news sharing video that was prepared and presented by our students for our students. School captains Jack Winestone and Taylor Hounsome were supported by Crystal Wells, John Cardamone and Rush Rajaram to produce a 7 minute clip that was shared across the school. The episode included some students sharing their thoughts about our school value of Integrity. It also included an interview with our local MP Judith Graley, who shared her insights in leadership. Also included was an interview with 6B teacher and Numeracy Learning Specialist Jess Szalek. We look forward to seeing the Hillsmeade Happenings evolve over the course of the year. But, a wonderful first effort.

# FROM THE PRINCIPAL

## Electives

Last Friday was our first session of electives. It was a beautiful sunny day and there was excitement in the air. Students were actively engaged in electives of their choosing, with students and teachers from other grades. I have heard wonderful feedback from students about their first electives. Please read the below comments from students of their first elective.

### Paper Crafts.

My elective is paper crafts. I love making stuff and I was so excited about going there with my best friend Eve. We made a book mark and a pencil holder where you need to make 6 of these. Triangle prism with a diamond in it that's a different colour like green. My elective is the best.

**Skyler 3B**  
Paper Craft Elective

### Mix Media Art

My elective was Mix Media Art. In Mix Media Art I did spreading paint with my finger and mixing the colours together. We used lots of colours of paint but they were very bright colours. In Mix Media Art you have to use everything around you and mix them together to make one piece of beautiful art work. I like art that's why I chose Mix Media Art.

**Queenie 3B**  
Mix Media Art  
Elective

### Coding

Coding is my new elective. I love coding because you can discover new things. So far in coding we have learnt about Spherero. Spherero is a little type of robot that you can control on an I-pad. In my classroom coding had the most people! I think coding is the **BEST** elective!

**Lara 3B**  
Coding Elective

# FROM THE PRINCIPAL

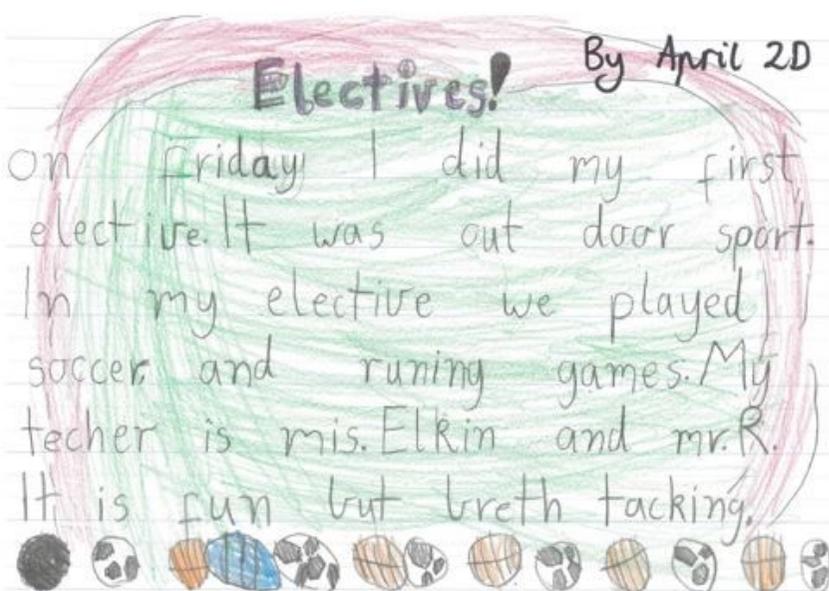

Pop Star 

My elective was popstar frist when we got there we did some dancing and then we got to make our own popstar groups and then we made ~~a~~ our  a popstar go group name my popstar group's name is shimmer shine star rock that's our pop star group name and guess ~~is~~ which song we'er percktising?... This is me! Yes that's the song my team's song is, and do you ~~is~~ know who's idea was it to make the song? my'n.

Pranaali 3B  
Pop Star Elective

On ~~friday~~ I did book making elective. My book making teacher was Miss thomas Miss thomas was my grade one teacher. We did some fun things. We read a story and then Miss thomas wrote a page of writing and we had to draw a picture that matches the writing I had fun.

By Danni 2D

Electives!  By April 2D

On Friday I did my first elective. It was out door sport. In my elective we played soccer and runing games. My teacher is mis. Elkin and mr. R. It is fun but breth tacking.

# FROM THE PRINCIPAL

## Grade 1 Hatching Chickens

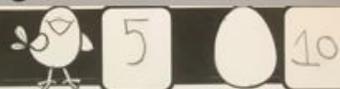

Modelled Writing in Year 1A as they begin their Learning Journals about the chicks.

Yesterday the chicks arrived in our classroom. We were so excited! Norma delivered 3 little chicks and 12 eggs in an incubator. We got to have a cuddle. They were so cute and soft, we all felt so happy.

Day One

Yesterday I <sup>hugged</sup> hugd a chick and they <sup>were all</sup> were all <sup>fluffy</sup> flu ffey and <sup>cute</sup> croot.

# FROM THE PRINCIPAL

## U TRAiN Students

This year Hillsmeade Primary School is again happy to support learning for all by welcoming U TRAiN students on a Tuesday and a Friday for a year long placement. These students are Secondary aged students who are completing school-based apprenticeships and traineeships. Hillsmeade Primary supports these students by partnering with U TRAiN to ensure a strong pathway for future study.

To find out more about U TRAiN please see;

<http://www.utrain.com.au/>

## School Council Ballot

A reminder that the school council election ballot is underway and voting will close on Monday the 5<sup>th</sup> of March at 4pm. Ballot sheets were distributed to the eldest student in families on Monday. Votes can be handed in to the office.

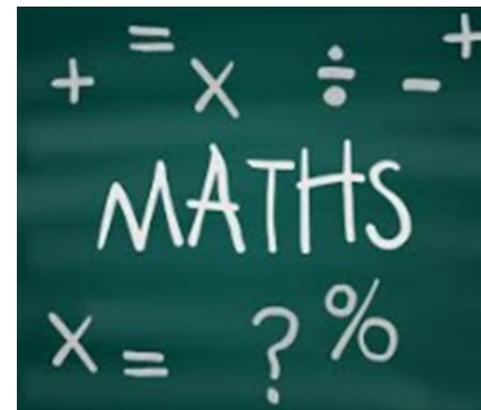

## Curriculum Day

A reminder that this term **students are not required to attend on Thursday the 22<sup>nd</sup> of March**. This date is a whole school curriculum day which will support teachers to engage in professional learning with leading Numeracy expert George Booker.

George Booker is a Senior Lecturer in Mathematics Education at Griffith University and will be working with our school in leading professional learning around the number strand, providing a conceptual overview to the processes and knowledge that constitute numeration and in turn underpin computation.

Staff will be engaged in practical activities that will focus on the development of concepts and processes and the sequences of development that best produce understanding and proficiency. As well as being important in themselves, these ideas are crucial to building number sense and an ability to solve problems and communicate with and about mathematics.

Hillsmeade Primary are looking forward to this wonderful professional learning opportunity.

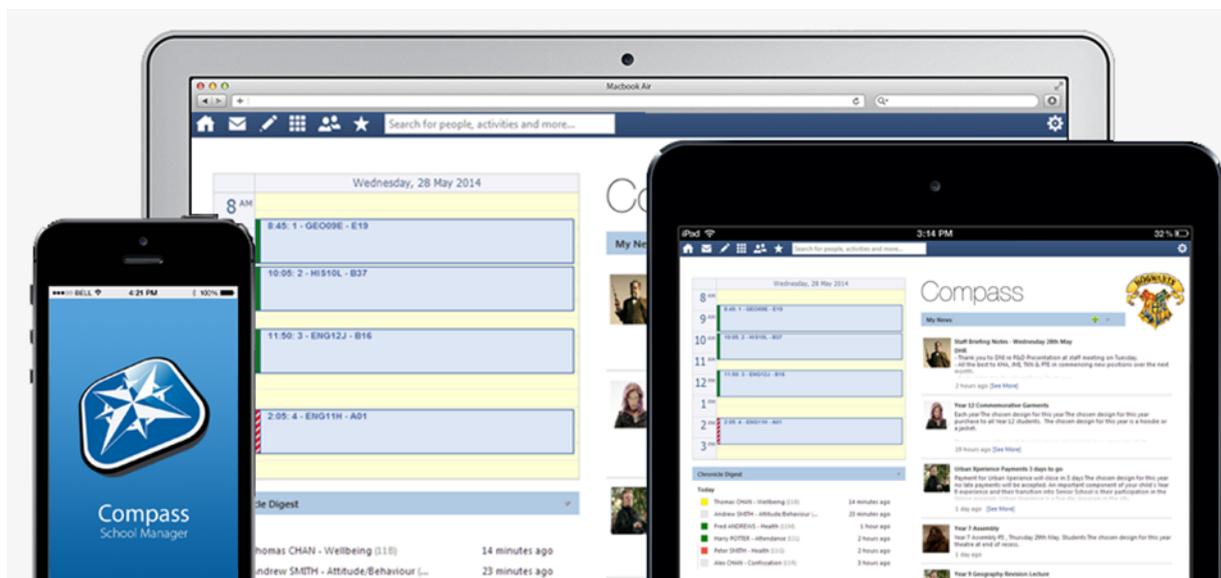

# FROM THE PRINCIPAL

## COMPASS is coming!

We are very excited to announce that Hillsmeade Primary School will be moving to COMPASS. Compass is a modular, web-based school management platform that will support our schools partnership with parents in the education journey. At the moment staff are learning about the resource and its many features. We look forward to ensuring there is a smooth transition to this platform and will be providing opportunities for parents to be supported in navigating this resource.

A date has not yet been set for the transition, but we will keep families informed as to when this is coming up.

## More, in one.

### SOME OF THE FEATURES IN COMPASS

Attendance and Roll Marking

Semester and Progress Reporting

News Feed and Calendaring

Staff, Student and Parent Portal

Online Payments and consent

Resource and Curriculum Builder

Parent Teacher Interviews

Wellbeing and Behaviour Management

Event Planning, Approvals and Payments

Budgeting and Purchase Orders

Native iPhone and Android Applications

**And much more...**

# FROM THE PRINCIPAL

## Working with Alkira Secondary Collgee

On Monday the 26<sup>th</sup> of February Alkira Secondary College VCAL students were involved in running lessons for our Year 6 students. These well planned, prepared and delivered lessons were on the topic of homelessness. Please see the below student reflection of the event.

27/02/2018  
 The Homelessness Incursion.  
 My experience at the Homelessness Incursion was good. There were 4 boys that came. First we did a wordsearch. There were 23 words we had to find but only in 10 minutes. I found 11. Some of the words that I found were lost, cold and depressed. After the word search we were told to draw a picture about what we thought homeless means. Everyone drew some really nice drawings. They drew people laying on the floor with no food, people begging for money, people with ripped clothes and even rich people abusing homeless people. Then we did a bit of a trivia. There were some questions like how many people do you think are homeless that are kids?, or do you think more males or females are homeless? It was really fun. The last thing we did was answer some questions about how well we think they did. So that was my experience from the homelessness Incursion.

Homelessness reflection is by Harleen Khehra (6B)

## FROM THE PRINCIPAL

A reminder that this Friday afternoon is a whole school assembly beginning in the gym at 2:45. There will be some wonderful performances from our Year 3 and Year 6 students. If you are available to attend we would love to see you there.

Have a wonderful week,

Jodie Bray  
Principal  
Hillsmeade Primary School

# Easter

# Free Dress Day

## RAFFLE &

A ticket form is attached and tickets are to be sold for **\$1 each**.

Tickets need to be returned to school with payment no later than **Friday 23rd March**. An example of how to fill out the tickets is shown:

Name <u>Uncle Bob</u>	2018 Easter Raffle
Phone <u>0411 000 000</u>	
Care of Child	
Name <u>Steven Jones</u>	
Grade <u>2A</u>	

The raffle will be drawn and results announced at the school assembly on **Thursday 29th March**.

**Free Dress Day**

Gold coin donation Free Dress Day on the 9th March. Money raised from this free dress day will be used to purchase the raffle prizes.

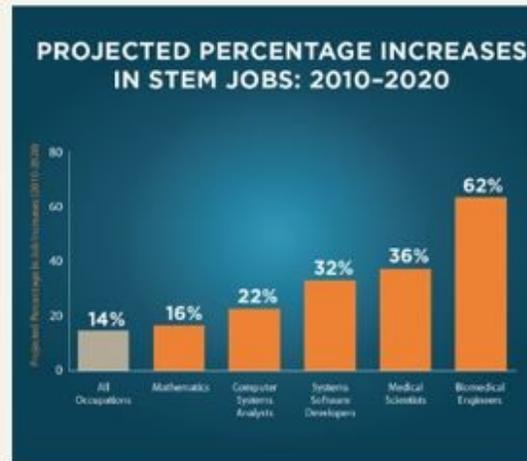

# MRS BHARDWAJ (Science, Technology, Engineering, Art and Mathematics) STEAM

Today's question: Why STEAM?

- STEAM touches **every aspect** of our lives, from our smartphones to the technologies that enable us to explore the world around us and outer space.
- It also **drives innovation** in our fast-changing global economy.
- For Australia to continue to prosper into the future, our students need a **strong foundation** in STEAM.
- We want our students to harness the opportunities and **meet the challenges** of the future.

Statistics to support valuing STEAM education in our schools

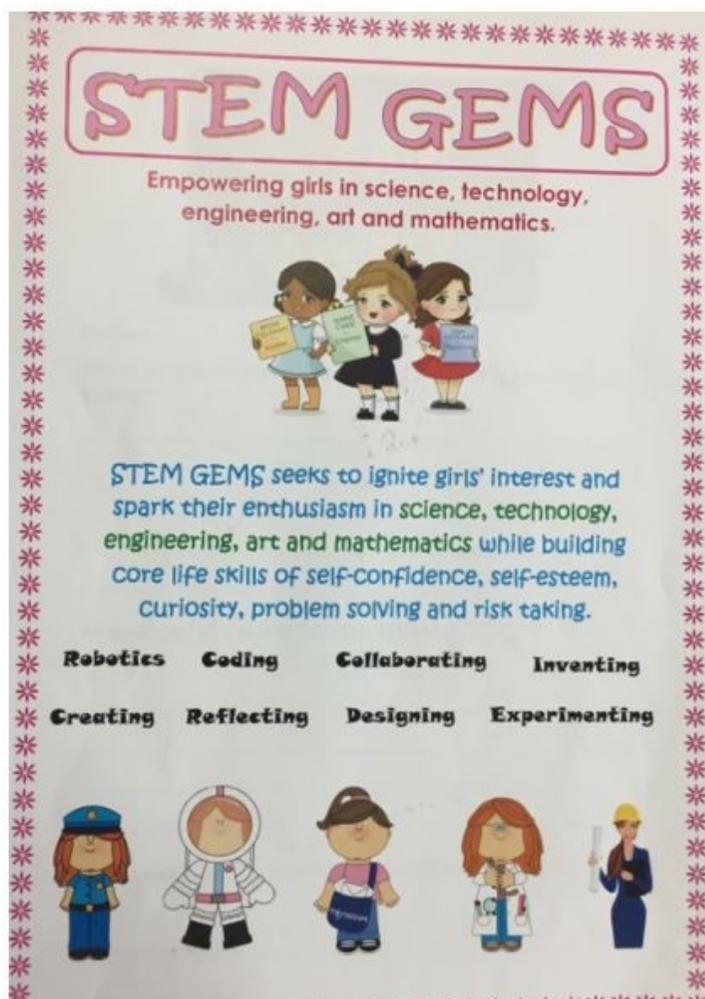

\*Engaging children in science before the ages of **11 to 14** is critical to generating long-term interest in the discipline. However, Australian primary school teachers are required to spend only **1.5-2.5 hours** on science and technology in the 30 hour school week. (PwC, 2016)

\*Year 12 participation in **STEM subjects** is declining. Over the twenty-year period from 1992 to 2012 there was a fall in participation of 11% for intermediate mathematics, 10% for biology, 5% for chemistry and 7% for physics. (PwC, 2015)

\*The percentage of students that love school reduces from **95% in Kindergarten** to **37% in Year 9**. (Jenkins, 2012)

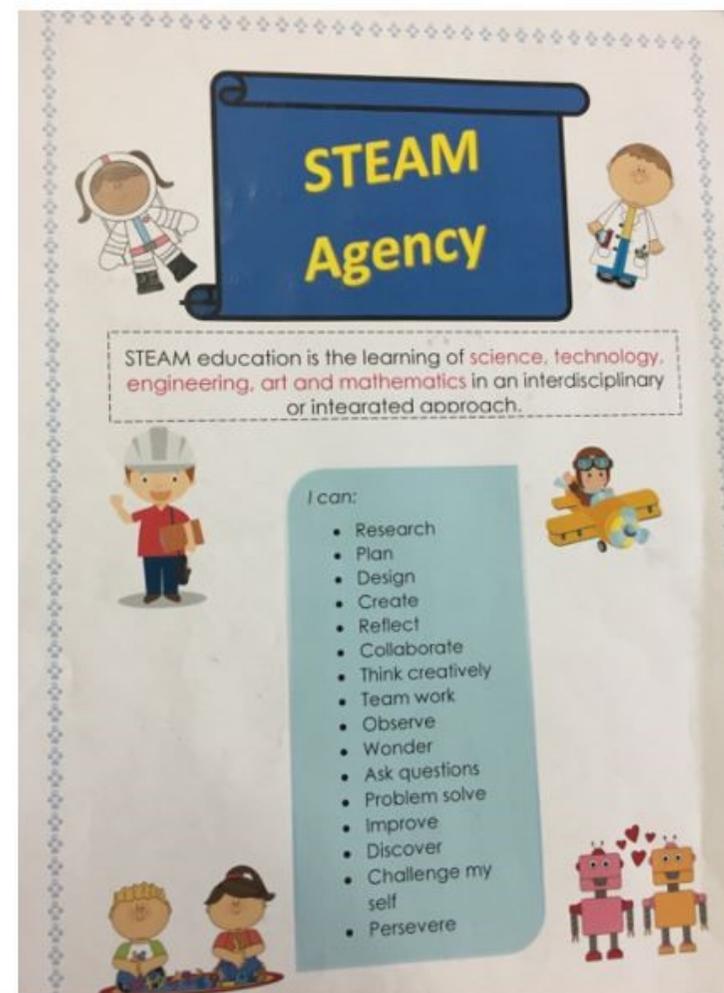

\***44% (5.1 million)** of current Australian jobs are at high risk of being affected by computerisation and technology over the next 20 years. (PwC, 2015)

# MRS BHARDWAJ (Science, Technology, Engineering, Art and Mathematics) STEAM

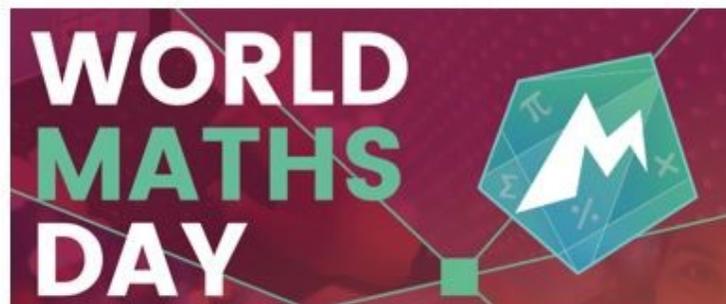

This year Hillsmeade Primary School will continue to motivate and promote Science. We are excited to begin a focus on igniting girls interest in Science through the introduction of a Year 4 initiative the 'STEM GEMS'.

If you would like to know more about this,  
**Please contact Dimple Bhardwaj.**

The STEAM Agency that began in 2017 will continue to be a focus at Hillsmeade in 2018. Students from Year 5 / 6 will have the opportunity to be involved in the STEAM Agency during 2 lunchtime sessions a week.

If you would like to know more about this,  
**Please contact Dimple Bhardwaj, Jess Szalek or Martine Ziino.**

This year, Hillsmeade Primary School will be participating in WORLD MATHS DAY. This is a free online competition that operates through the Mathletics online portal, meaning all activities logged by Hillsmeade students during this 48hr period will contribute to our school's competition total.

Date and time: Friday 6<sup>th</sup> March at 9pm until Sunday 8<sup>th</sup> March at 9pm.

Normal Mathletics tasks and challenges will continue to run during this time, but we will be competing against schools AROUND THE WORLD through the Live Mathletics platform using students' regular log in and passwords.

## What is World Maths Day?

World Maths Day is a free, fun, online competition with up to 4 million students world-wide participating. The competition measures speed in arithmetic and numeracy skills on the Live Mathletics platform and runs for 48 hours and is open to all schools around the world. Students compete online with other students and top scores are displayed on a live 'Hall of Fame'.

**Who will be the World Maths Day champion in 2018?**

**WORLD MATHS DAY**

Returns 7 March 2018

**#WMD2018**

# PROFESSIONAL PRACTICE DAYS

As part of the Victorian School Agreement, teachers are supported in developing their professional knowledge and practice through a professional practice day each term.

Our teachers work collaboratively during this time on their planning, professional learning and to enhance their ability to support their learners. At Hillsmeade Primary School, we have organised activities for students on these days that compliment and enrich our curriculum programs.

Students will be engaged in incursions and activities with guest speakers on these days, at no cost to parents.

The dates of the professional practice days and activities provided are detailed below. Students are expected to attend school as normal, and will be supervised by leadership and specialist teachers during their activities.

# MR CARDAMONE

Good afternoon Hillsmeade community,

This week we will look at the different types of breathing that can help us in different situations. This can be a great benefit for your children to know, especially at the primary school age. Controlled breathing can help us reduce stress, self-regulate and assist us in making better decisions under an emotional state. Practicing with your children can have a big impact on their everyday life. Below you will find a few different ways of how to control our breathing. This all can be found at [www.threecLOUDsyoga.com](http://www.threecLOUDsyoga.com).

<p style="text-align: center;"><i>Coherent Breathing</i></p> <p><i>If you have the time to learn only one technique, this is the one to try. In coherent breathing, the goal is to breathe at a rate of five breaths per minute, which generally translates into inhaling and exhaling to the count of six. If you have never practiced breathing exercises before, you may have to work up to this practice slowly, starting with inhaling and exhaling to the count of three and working your way up to six.</i></p> <ol style="list-style-type: none"> <li><i>1. Sitting upright or lying down, place your hands on your belly.</i></li> <li><i>2. Slowly breathe in, expanding your belly, to the count of five.</i></li> <li><i>3. Pause.</i></li> <li><i>4. Slowly breathe out to the count of six.</i></li> <li><i>5. Work your way up to practicing this pattern for 10 to 20 minutes a day.</i></li> </ol>	<p style="text-align: center;"><i>Stress Relief</i></p> <p><i>When your mind is racing or you feel keyed up, try Rock and Roll breathing, which has the added benefit of strengthening your core.</i></p> <ol style="list-style-type: none"> <li><i>1. Sit up straight on the floor or the edge of a chair.</i></li> <li><i>2. Place your hands on your belly.</i></li> <li><i>3. As you inhale, lean forward and expand your belly.</i></li> <li><i>4. As you exhale, squeeze the breath out and curl forward while leaning backward; exhale until you're completely empty of breath.</i></li> <li><i>5. Repeat 20 times.</i></li> </ol>
<p style="text-align: center;"><i>Energizing HA Breath</i></p> <p><i>When the mid-afternoon slump hits, stand up and do some quick breath work to wake up your mind and body.</i></p> <ol style="list-style-type: none"> <li><i>1. Stand up tall, elbows bent, palms facing up.</i></li> <li><i>2. As you inhale, draw your elbows back behind you, palms continuing to face up.</i></li> <li><i>3. Then exhale quickly, thrusting your palms forward and turning them downward, while saying "Ha" out loud.</i></li> <li><i>4. Repeat quickly 10 to 15 times.</i></li> </ol>	<p>If you would like to know more any of these techniques share, please do not hesitate to come and discuss. Have a great week!</p> <p style="text-align: center;">John Cardamone Acting Leading Teacher – Social and Emotional Learning</p> 

# B E R W I C K S H O W

The Berwick Show was on Saturday the 24<sup>th</sup> and Sunday 25<sup>th</sup> of February.

Hillsmeade Primary School produced a display to show the community some of the fantastic artwork produced by our talented artists.

I would like to congratulate all the students who had their artwork on display. We received a Merit certificate, in recognition of our valuable contribution to the Berwick Show Art Display and Encouragement award, ribbon.

# SCHOOL PRODUCTION

## Production Auditions

### Production Update:

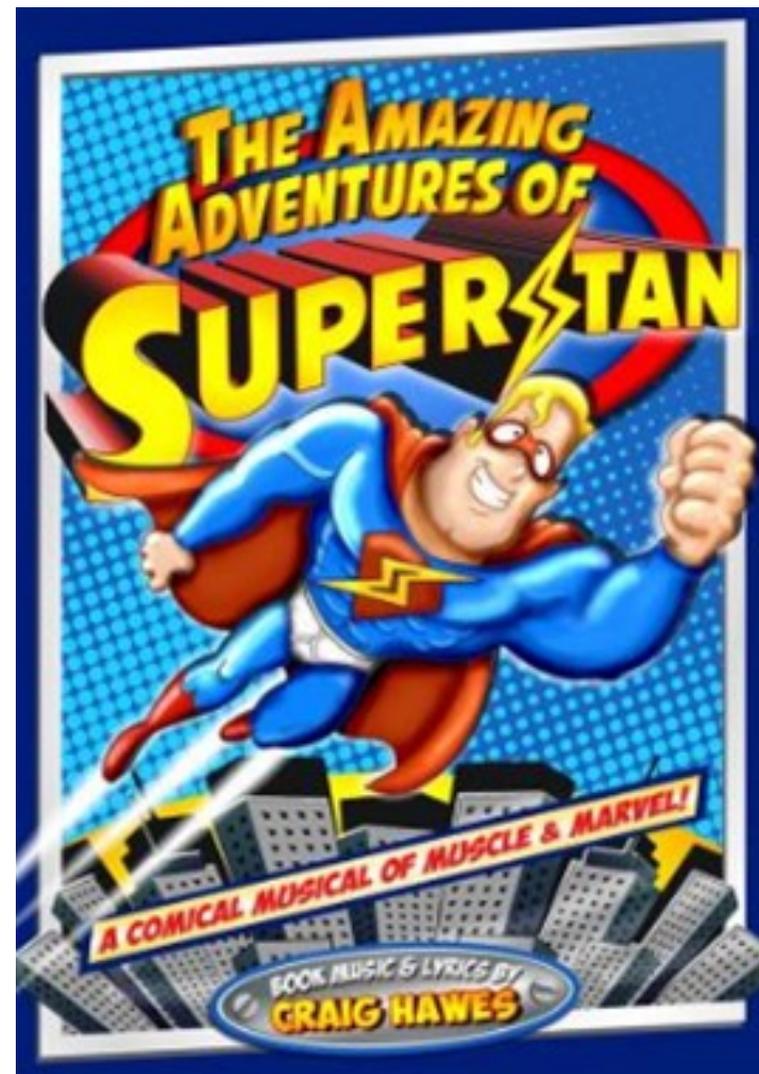

Last week the Production Team held auditions for students in Grades 5 & 6 who were interested in having a speaking part in 'The Amazing Adventures of SuperStan'. We were thrilled to see so many excited and talented actors at the auditions and are now in the process of allocating students to different roles.

Students will be informed of their parts by Monday next week. If you have any questions about the Production then feel free to contact any of the Production Team - Ms McKelvie, Ms Catanese, Ms Oates, Mr Cole or myself.

More information to follow...

*Lisa Scott*

Specialist Music Teacher

# CANTEEN SPECIALS

**Orders to be in NO later than 9:30am.**

## **CLOSED TUESDAYS**

Clearly write Name and Grade with your order on your bag, or envelope.

Alternatively you can view and order everything on our Qkr! App.

Please remember an extra 10c in your order if you DON'T have a brown paper bag.

## **Thursday Specials**

Aussie Pie or Sausage Roll & Drink \$4.00

Caesar Wrap, Frozen fruit & Drink \$6.00

**\*\* Add Chicken\*\* \$1.00**

Chicken Strip Wrap & Drink \$6.00

## **Monday / Wednesday Specials**

3 Fried or Steamed Dim Sims & Drink \$3.50

Pizza or Pasta And a Drink \$6.00

Chicken or Ham & Salad Roll & Drink \$6.00

## **Canteen Reminders**

All frozen fruit, ice-creams & slushies need to be collected from the canteen at lunch time (they will not be delivered to the classroom).

**In our effort to become more environmentally friendly, straws will now only be given out upon request.**

# ENGLISH FOR PARENTS

- **Learn to speak, read and write English and have fun in our new class**
- **Join in with other parents from the school**

**MONDAY 1.00PM TO 3.00PM**

**Class dates: 16th April to 3rd December**

**Hillsmeade Early Learning Centre**

**ENROLMENT AND COFFEE DAY**

**Monday 16th April at 1.00pm**

## School Crossing Safety

There are over 60 Primary Schools in the City of Casey, serviced by over 240 school crossing supervisors. Over 35,000 students attend these schools each day, travelling by foot, private vehicles and public transport.

The City of Casey encourages drivers, parents and others responsible for children, to carefully read the information below to minimise the risk of accident or injury at and around school crossings.

### Why are school crossings important?

Young children do not have a well developed sense of danger. They also do not have well developed peripheral (side) vision or spatial sense. This makes it difficult for them to properly judge the safe time to cross a road. Supervised school crossings were formally introduced in the 1970s to protect children from this risk.

### Why do we need parking and traffic controls around school crossings?

Crossing supervisors need to have a clear field of vision in all directions around their crossing, so that they can spot approaching children and vehicles as soon as possible.

Because children are often very small, cars parked or stopped too close to crossings can completely obscure them from the view of supervisors and drivers. Coupled with children's limited ability to identify danger, this can create a very hazardous situation.

Parents and other people who are dropping off/picking up children also need reasonable access to parking for that purpose.

### What sorts of controls can I expect to find around schools?

A range of restrictions may apply according to the needs of the particular area. The following restrictions may apply at and around your school:

#### No stopping

 **What does no stopping mean?**  
No stopping means you cannot stop your vehicle for any purposes, no matter how short the time.

#### No parking

 **What does no parking mean?**  
No parking means that the area is a pick up/drop off zone and that you cannot leave your vehicle un-attended and you cannot be parked for more than 2 minutes.

#### Bus Zone

 **What does bus zone mean?**  
Bus zone means that this area is for buses only. You cannot stop there at all.

#### Disabled Parking

 **What does disabled parking mean?**  
Disabled parking means that only vehicles displaying a valid Disabled Person's parking permit may park in these spaces.

### As a driver what am I required to do around school crossings?

When approaching school crossings, slow down to 40km/h or less, watch for children and remember not to stop too close to the crossing. You **MUST** stop before the STOP LINE marked on the road once the stop sign is displayed to you

The crossing must be completely vacated of all pedestrians before proceeding, including the supervisor

Also watch for, and obey, the instructions of the School Crossing Supervisor.

Look for parking restriction signs and make sure to obey them or you may be fined

For further details call 9705 5200, log onto [www.casey.vic.gov.au](http://www.casey.vic.gov.au) or visit one of our customer service centres at Bunjil Place Narre Warren, or Centro Cranbourne.

# New to School Banking? Get your child started.

To join this savings adventure with School Banking, your child will need a Youthsaver account. If your child doesn't have an existing Youthsaver account, there are three simple ways to open one.

## Apply online at [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)

Click on the link to open a Youthsaver account.

## Log on to your CommBank app (if you bank with CommBank)

Head to the menu in the top left corner, select 'Products and offers', then 'Bank accounts' and 'Student and youth accounts', scroll down to Kids and tap 'Open account'.

## Visit any CommBank branch

### What you'll need

You'll need personal identification for you and your child. You can use a birth certificate, passport, driver licence or citizenship certificate.\* If applying in branch, please bring along your child's birth certificate and/or any applicable Court Order to help us identify you as the parent or legal guardian.

Your child will receive a Dollarmites deposit wallet to use to make their School Banking deposits when you open a Youthsaver account in branch, or in the mail if opened online.

**Things you should know:** \*The Bank will accept one of the following documents as acceptable identification on its own. Please note citizenship certificate can only be used as identification in branch. Birth certificate or the birth extract issued by an Australian state or territory. Birth certificate issued by a foreign government, the United Nations (UN) or an agency of the UN. Citizenship certificate issued by the Commonwealth. Citizenship certificate issued by a foreign government. Note: If written in a language not understood by the person carrying out the verification, the document must be accompanied by an English translation from either a (signatory) at the level of Professional Translator (or above) currently accredited by the National Accreditation Authority for Translators and Interpreters Ltd (NAATI) or another accredited translator who currently holds an equivalent accreditation. NAATI is the Australian government owned National Accreditation Authority for Translators and Interpreters. Where a parent/legal guardian is a signatory to the child's account, they are required to be identified to the acceptable identification standard.

As this advice has been prepared without considering your objectives, financial situation or needs, you should, before acting on this advice, consider its appropriateness to your circumstances. Full terms and conditions for the Youthsaver account are available at [commbank.com.au](http://commbank.com.au) and should be considered in any decision about the product. If you have a complaint in respect of this product, the Commonwealth Bank's dispute resolution process can be accessed on 13 2221, Commonwealth Bank of Australia, ABN 48 123 123 124. ADV14553 010118

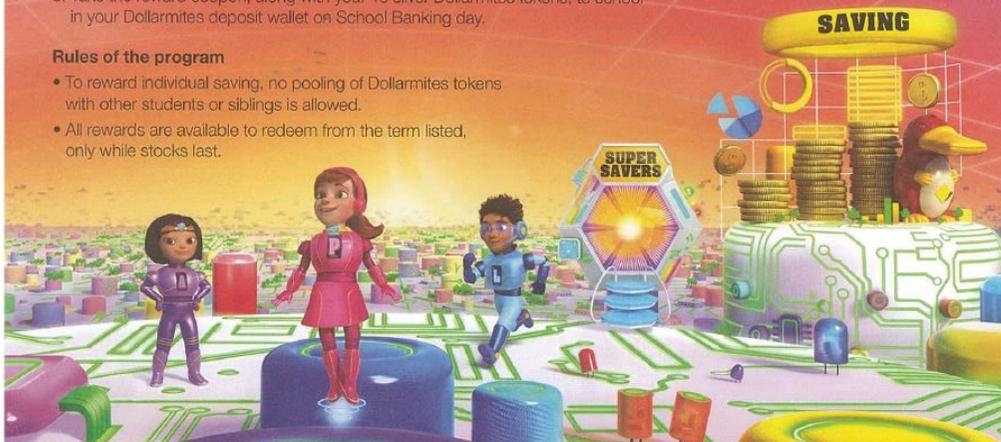

# Rewards Card. Start saving for the Super Savers rewards.

### How to redeem a reward item

1. Make 10 School Banking deposits (you'll receive one silver Dollarmites token each time you make a deposit – maximum one per week).
2. Choose one of the below reward items and fill in your details on the corresponding reward coupon.
3. Take the reward coupon, along with your 10 silver Dollarmites tokens, to school in your Dollarmites deposit wallet on School Banking day.

### Rules of the program

- To reward individual saving, no pooling of Dollarmites tokens with other students or siblings is allowed.
- All rewards are available to redeem from the term listed, only while stocks last.

# Keep saving for a chance to win a family trip to Hawaii.

This year, School Banking is running a Super Savers Grand Prize competition that will take one lucky School Banker and their family of two adults and up to three children to Hawaii.

### The trip includes:

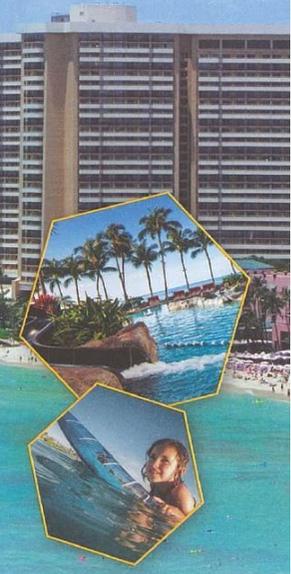

- Return economy flights to Honolulu, Hawaii plus airport transfers
- 7 nights accommodation at the Sheraton Waikiki Hotel & Resort staying in a Luxury Ocean Room, with beach views and breakfast included
- AU\$2,000 spending money.

### How to enter

Simply make 15 or more School Banking deposits before the end of Term 3 2018 to automatically receive an entry into the competition for a chance to win.

Find out more at [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)

**Things you should know:** The Super Savers Grand Prize Competition (Promotion) is conducted by the Commonwealth Bank of Australia (ABN 48 123 123 124) of Level 30, 11 Harbour Street, Sydney NSW 2000. The Promotion starts at 8pm AEST on 22/01/18 and closes at 11:59pm AEST on 28/09/18. Entry is open to Australian residents aged 4-13 years only who have made 15 separate School Banking deposits into their CommBank Youthsaver account during the Promotion period. Eligible entrants will be automatically entered into the draw. Maximum 1 entry/person. The first eligible entry randomly drawn will win a trip to Honolulu, Hawaii, USA for two adults and up to three children (aged 17 years and under), including 7 nights accommodation and AU\$2,000 spending money, valued at AU\$17,666. Terms and conditions apply. The draw will take place at 12pm AEST on 10/10/18 at the address above. The winner will be notified by telephone and email, and will be published online at [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking) and in *The Australian* on 17/10/18. Winner must claim the prize by 5pm AEST on 15/01/19 or the prize will be redrawn. The prize will be awarded to the winner's nominated parent or guardian. Conditions apply to accepting the prize. Full terms and conditions available from [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking). Authorised under NSW Permit No. LTPS/17/18316, ACT Permit No. ACT/TP-17/01989 and SA Permit No. T17/1576.
