

SAFE AROUND SCHOOLS

Casey School Crossing Supervisors are trained to help children cross the road safely.

- Use the School Crossing. It is the safest place for children and adults to cross the road. Be a role model to your children – use the school crossing and your children will copy you.
- Stand behind the yellow line while waiting to cross – no need to crowd, there will be plenty of time for everyone to cross.
- Walk between the lines as you cross, to keep a safe distance between you and cars.
- Walk your bike or scooter across the crossing. Do not ride.
- Keep the School Crossing clear. Do not stop your car on the crossing. Blocking the crossing is not only against the law, but also dangerous for everyone.
- Be respectful to the School Crossing Supervisor, they are there for you.

Taking a couple of minutes to watch our new Road Safety Education Animation - [School Crossing Animation](#) and listen to this important information will make a big difference to the safety around your school.

Getting children to school safely is everyone's job!
