POLICY

1. School profile

School profile

Hillsmeade Primary School is situated in the South Eastern corridor of Melbourne. With a current

enrolment of 800+ students the school is a dynamic and vibrant educational focus for the local community. It is located in Narre Warren South — a south-eastern suburb of Melbourne that is situated 45km from Melbourne’s CBD within a growth corridor, currently increasing at the fourth fastest rate in Australia.

Over the last few years, the school has significantly invested in our building and grounds using a mixture of government funding, special grants and parent/community fundraising.

We are committed to providing a child-friendly environment where children feel safe and their voices are heard about decisions that affect their lives.

Not all children are ready to learn the same thing at the same time in the same way.

At Hillsmeade, we acknowledge this fact and work to personalise our teaching and learning to cater for the individual need of our students. The Hillsmeade Personalised Learning Approach is strongly based on the idea that all children are not ready to learn the same thing at the same time in the same way, therefore we use a research-based pedagogy that personalises and engages students in active learning alongside explicit and formalised instruction.

School values, philosophy and vision

Hillsmeade Primary School’s Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values which expect all members of the school community will:

- be responsible
- be enthusiastic
- be successful
- be persistent
- be encouraging
- be courageous
- demonstrate teamwork.

Our school’s vision is to continually grow and learn together by:

- supporting individual abilities and excellence in academic achievement,
- celebrating diverse backgrounds and cultures, and
- becoming global citizens prepared for the needs and expectations of our ever-changing society.

Our Statement of Values is available on our school website.

5. Student behavioural expectations and management

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Hillsmeade Primary School's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, we will institute a staged response, consistent with the Department's [Student Engagement policy](#). Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Year Level Coordinator
- restorative practices

- detentions
- behaviour reviews
- suspension
- expulsion

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:
