

BYOD PROGRAM – WIRELESS CONNECTION

CONNECT AN IPAD

1. Go to Settings > Wi-Fi
2. Select the eduSTAR network and enter your Microsoft 365 email address (ABCD1234@schools.vic.edu.au) and password. **YOUR CLASS TEACHER WILL GIVE THIS TO YOU WHEN YOU ARRIVE AT SCHOOL.**
3. Select, **“TRUST”** when your certificate window appears.

4. After successfully connecting to the WIFI network, tap the eduSTAR network and select Configure Proxy.

5. Select Automatic and tap Save. You're now connected.
